If you are interested in networking with other Saratoga Families throughout the summer, join our Facebook group: Stanwood/Camano Saratoga Parents. This is a private group, so you will need to send a request to be added. If you are a new family, please write a message with your request stating that you are new in case your name is not recognized. We would like the group to stay private with only currently enrolled families. This is a great place to post questions to other parents, share a great idea or place to visit, or set up a group play date.

Our office will be closed for the summer, but we will be back in mid August if you need something. Sue and I will also do our best to answer emails throughout the summer if you have a question. Sue's email: [senquist@stanwood.wednet.edu](mailto:senquist@stanwood.wednet.edu)

Be on the lookout for a letter in August letting you know more information about WINGS orientation, beginning of the year schedule, and other important news for the school year.

Have a wonderful summer!

Sincerely,

Monica McDaniel
